TERMS

All merchandise is guaranteed to give satisfaction, and any article showing defects in workmanship or materials will be repaired or replaced, provided written permission to make return is obtained.

Minor changes and improvements in construction may be added during the year; therefore, articles are not guaranteed to be exactly as shown in this catalog. We reserve the right to withdraw any article from the line without notice.

Our responsibility for delivery ceases when signed receipt of carrier is obtained and no liability is accepted for delays due to strikes, fires, floods, or any causes beyond our control. All orders are subject to approved credit and acceptance of our main office.

NEWSPAPER MATS

... attention compelling, sales making illustrations to give your newspaper ads extra punch! Mats of all models in 2 column sizes are available and some 4 column sizes. All are free of charge. When ordering mats specify GYM-DANDY model number and column size required.

FOLDERS

... attractive, envelope size folders illustrating the complete GYM-DANDY Line. Ideal handouts for floor salesmen. Perfect for letter stuffers.

4 PLAYS

No. 90
3' top of 1 1/4" steel tubing.
7' legs of 1" steel tubing.
Ground space 5 1/2' x 6'.
Shipping weight approx. 25 lbs.
Packed complete in individual cartons.

No. 90-B
Same as above except swing equipped with cadmium plated eye bolt type ball bearing hangers.

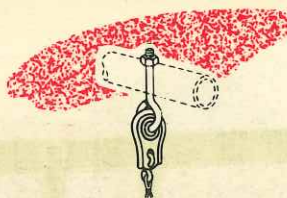

For families with small children and a limited play yard, this set is ideal. The all-steel, all-bolted construction makes it strong enough to hold adults as well as children even though it's a small model. Bright galvanized chains, cadmium plated NON-TILT seat brackets and steel gym rings.

GYM-DANDY
No. 90
PLAYMASTER

SPECIAL EQUIPMENT

Eye bolt type ball bearing hangers furnished on all MODEL B Playmaster units.

GYM-DANDY
No. 102
PLAYMASTER
